PERSONAL GUARANTY

In consideration of Nally & Haydon Surfacing, LLC., Cedar Creek Quarry LLC or an affiliate (collectively, the "Company") agreeing to extend credit to the applicant, the undersigned hereby unconditionally and personally guarantees the prompt payment in full of all charges incurred by the applicant plus any and all other sums (including interest, collection costs and attorney fees) which may be due hereunder. The undersigned further waives all notice of non-payment by the applicant and expressly grants the Company the right to proceed first against applicant before proceeding against the applicant. It is further understood that this personal guaranty shall be relied on by the Company in making its decision to extend credit to the applicant and that this is a continuing guaranty which shall remain binding on the undersigned, his/her estate, heirs, personal representatives and assigns until such time as the undersigned notifies the Company in writing of its revocation. The undersigned hereby consents and submits to the jurisdiction designated by the Company for purposes of any legal action brought on this guaranty and further authorizes the Company to obtain personal credit information, if it deems the same necessary in processing this application. For purposes of Kentucky Revised Statutes 371.065, the maximum aggregate liability of each of the undersigned is 150% of the amount listed in the Line of Credit Requested item of the Credit Application on the reverse side hereof, exclusive of interest, fees, charges, costs, and reasonable attorneys' fees (which interest, fees, charges, costs, and reasonable attorneys fees are included in the obligations guaranteed but are not included in the limit of the maximum aggregate liability). This guaranty shall terminate after five years from the date set forth beside the signature(s) of the undersigned below, but such termination will not affect the liability of the undersigned for obligations hereunder incurred or created prior to such date, or extensions or renewals of interest accruing on, or fees or costs or expenses incurred with respect to, such obligations on or after such date.
